

MUHAMMED JAVIS

Kanhangad, Kerala, India | +91-9633410710 | muhammedjavis@gmail.com | github.com/muhammedjavis | linkedin.com/in/muhammedjavis

CAREER OBJECTIVE

Dedicated and self-taught developer. I'm a B.Tech graduate in Computer Science and Engineering. Always ready to explore new technologies & enthusiastic in implementing them independently

PROJECTS

Food Order App using React.js

ORDER NOW | <https://github.com/muhammedjavis/react-food-order-app.git>

- Developed a food order app named "Order Now" using React.js.
- Integrated with a backend server to retrieve available food item details.
- Implemented features such as a shopping cart, checkout functionality, and order submission to the backend.
- Ensured seamless communication between the frontend and backend for efficient data transfer.

MINI PROJECTS

- **Project Management App using React.**
<https://github.com/muhammedjavis/project-management-app.git>
- **Quiz App using React.**
<https://github.com/muhammedjavis/react-quiz-app.git>
